

Bishop Rodriguez statement on death of Archbishop Pietro Sambì

We pray for the eternal repose of Archbishop Pietro Sambì. I ask all in the Diocese of Lubbock to remember him in prayer. He served us very, very well as one of the most important embassies and diplomats in the world, representing the Holy Father in the United States. We pray for consolation for Archbishop Sambì's family, friends and colleagues around the World.

+ Plácido Rodríguez, *ep.*
Bishop of Lubbock.
